About Port Houston

For more than 100 years, Port Houston has owned and operated the public wharves and terminals along the Houston Ship Channel – the nation’s largest port for waterborne tonnage and an essential economic engine for the Houston region, the state of Texas, and the U.S. nation. The more than 200 private and eight public terminals along the federal waterway supports the creation of nearly 1.35 million jobs in Texas and 3.2 million jobs nationwide, and economic activity totaling \$339 billion in Texas – 20.6% of Texas’ total gross domestic product (GDP) – and a total of \$801.9 billion in economic impact across the nation.
